Frequently Asked Questions

General

Due to the uncertainties with COVID-19 and physical distancing, the Mississauga Camera Club has made the decision to continue all Club activities including regular meetings, SIG meetings and workshops for the 2021-22 season virtually through the ZOOM platform. This will be reevaluated in the Fall of 2021 and if possible, some in person meetings may be scheduled. All the usual Club programs and activities, except print competitions, will be offered online using ZOOM.

I have never used ZOOM. How will I be able to join these meetings?

- Instructions for joining MCC activities via ZOOM is available on the Mississauga Camera club Website, under the tab "Club Info".

Renewal Options

What renewal options are available for the 2021-22 season?

- For the 2021-22 season, to ensure the protection and safety of our valued membership volunteers, renewals will only be accepted online via ORS at the Club website www.mississaugacameraclub.ca under the Club Info Tab/Memberships Renewals.

Can I still renew my membership by filling out a paper form?

- No, all membership renewals must be processed through ORS.

What can I do if I can't or don't want to use ORS to renew my membership?

- Members who are unwilling to renew through ORS and PayPal are encouraged to ask a friend in the Club to renew on their behalf.

Why has the Club made the decision to allow membership renewals only through ORS for the 2021-22 season?

- As has been previously announced at Club meetings, the plan was to fully implement ORS as the only registration option for all Club activities for the 2021-2022 season. The ongoing COVID-19 pandemic resulted in successfully implementing that decision a year early to ensure the safety of our valued membership volunteers by eliminating their need to handle cash, cheques and all the other associated paperwork.
- ORS simplifies the accounting and banking processes for volunteers
- ORS also allows members to renew their membership at their convenience anywhere, anytime.
