

The Things We See....

Doug Johnston

MCC Outing – Rattray Marsh

The skyline from a bench....

Shorelines and Waves...

Even a solitary rock..

Sky replacement required..

Gull with Lunch

Nature's textures

People doing their “thing”..

The Marsh in all it's glory

Washed up  
and left  
behind..

GREENHOUSE  
HOT

And then we  
get to play!
