

MISSISSAUGA
Camera Club

Interclub Open Challenge Competition 2024

The challenge has a total of 11 categories

A maximum of 12 entries can be submitted into any category.

The maker is not required to enter multiple categories unless they are competing for the Diversity Photographer of the Year Award.

No entrant shall submit more than 12 images regardless of the number of clubs to which the entrant belongs. If the maker exceeds these limits by submitting through more than one club the entrant will be disqualified from entering images for the current competition year.

A quick summary...

- **There is no *pure nature wildlife* category.**
- BR, AN, BO and LG are 4 separate natural categories with substantially relaxed compositional/technical rules, but the key is the image must fit the category. Hand of Man is permitted.
- The EV (Expansive Views) category provides for a range of landscape, seascape, geology, astronomy and cityscape images. Hand of Man is permitted.
- The category for Nature Landscapes & Geology does NOT permit Hand of Man.

- Similarly, there are 5 pictorial categories comprising PA, PE, AR, PD and CV. PA (People in Action) is intended for sports photography with people substantially visible in the image
- The Open Competition Theme category is "**Food & Drink**". This is the 11th category.
- Sections in the Rules explicitly describe what imagery is appropriate within each category and explain further limitations and exclusions
- Awards, medals and certificates will be presented in these categories to individuals and clubs

How to Submit

Open Challenge rules for the current year can be found here. Download package from "O3C Submission Rules PDF" button below.

We have simplified the process for the members – they just upload images using the Competition portal.

The Competition Team will rename the image files to meet O3C specifications and prepare the spreadsheets for submission to O3C.
