

ZOOM Special Interest Groups (SIG)

Volunteers run our Special Interest Groups (SIGs). Each SIG leader shares their ideas/skills and organizes a 2-hour session monthly with the help of the SIG members. All SIGs are free to members for the 2023-2024 season.

The first meeting of each SIG will be OPEN to all members. A general email blast will be sent out from each SIG leader a few days ahead of their first SIG. The SIG leader will provide to the Director of Communication the wording of the message and the SIG ZOOM link. The Director of Communication will send this email to all MCC members on the date requested by the SIG leader. This will be for all four ZOOM SIGs. The first meeting of each SIG will be an overview and a sample of what members can expect from the SIG. Members are encouraged to attend any or all four (4) of the SIGs in September (October for the Image Critique SIG).

Subsequent SIG meetings will require a one-time online registration in the Members' Portal for each SIG. The reason for the online registration is that SIG leaders request that members make a consistent effort to commit to participation in the SIG. Dropping in once or twice detracts from the purpose of the SIG – to learn from each other and to share ideas, skills, tips and thoughts monthly.

Upon registration, each SIG leader receives a confirmation email with the member's email address. All further communication regarding future meetings, ZOOM links, challenges/activities related to the SIG would come to the member directly from the SIG leader. Emails are kept in confidence and the leader emails members using "bcc" to keep their emails private.

Please consider visiting each SIG in September (October for Image Critique SIG) and then registering for any or all SIGs to which you would like to commit to.

1. Creative SIG – 2nd Monday of the Month;
2. Photo Editing – 3rd Monday of the month;
3. Locations Travel – 4th Tuesday of the month;
4. Image Critique – 1st Monday of the month;
