

O3C Service Award

The purpose of this award is to honour a person who is a member of an O3C club, who has worked over the year(s) to promote good photography principles, has a great interest in helping others to become photographers and has worked in a volunteer capacity for the GTCCC/O3C at some point during its 38 years of existence.

This annual award will be presented during the O3C Open Challenge awards event, along with the other photography and achievement awards presented.

Selection:

A Committee consisting of a representative of the O3C Executive Board and a coordinator will make their decision from the nomination applications submitted by its member clubs to the Committee, for its consideration. This award, over time, will establish the level of award acceptance that determines if there is a candidate that merits the award.

Nominations:

Each member club will receive an application form, through its O3C representative, to be passed along to the club Executive. The form will contain all the required questions to be answered and then forwarded to the O3C President. The form will be distributed in April. The award presentation will take place during the fall Open Challenge awards event. The deadline for return is May 30th.

Eligibility (at least one needed to apply):

- Any person who has served on the GTCCC/ O3C/member club Executive Board
- A GTCCC/O3C/member club Committee Chair or member
- A present or past GTCCC/O3C judge for the O3C Open Challenge or performs regular O3C judging
- Someone who has regularly volunteered with the O3C to help achieve our mandate.

An applicant's name can be resubmitted, if not chosen for their year of submission. There is no limit on resubmission opportunities.

Award:

An O3C personalized trophy plus a \$100 gift certificate.
